Classes are held at the SCS Adult Ed. Building located at 23055 Masonic, unless stated otherwise.

SUMMER SCHOLARS

For students who need remedial help as well as those students who wish to keep their skills sharpened over the summer. The lessons will reinforce what your child has learned during the past year and expand his or her skills with a variety of activities. Children will participate in a relaxed, comfortable, yet structured environment.

MATH

Math encompasses so many ideas and concepts that it is no wonder children ...and adults for that matter...have trouble with it. But, you can never just quit using math. Skills you learn in First Grade will continue to be built upon year after year. So it is necessary to get that good foundation and understanding of concepts.

READING

Reading moves from learning how to read, to *using* reading in every aspect of our learning. Reading suddenly becomes integral to every subject in school, and will continue to be so through college and beyond. When children become good readers in the early grades, they are more likely to become better learners throughout their lives.

Y7000 MATH - Grade 1				
9:00-10:00	Mon. - Thurs.	7/6 thru 8/6	\$78	
Y7001 MATH - Grades 2 & 3

Y7003 READING - Grades 2 & 3				
9:00-10:00	Mon. - Thurs.	7/6 thru 8/6	\$78	
Y7004 READING - Grades 2 & 3				
11:15-12:15	Mon. - Thurs.	7/6 thru 8/6	\$78	
Y7005 MATH & READING - Grades 4 & 5				
11:15-1:00	Mon. - Thurs.	7/6 thru 8/6	\$140	

Please enroll early so that you and your child's current teacher will have time to fill out an assessment form that will help guide the summer teacher to know what skills are most important to focus on. **REGISTER FOR GRADE CHILD JUST COMPLETED.**
