

Goals 2011-12

Focus Area: Student Achievement

- Each elementary building will increase student writing proficiency by 5% as measured by the 2011 MEAP.
- Communicate student achievement success to Board and community.
- Continue implementing k-5 Common Assessment Calendar.
- Design Common Assessment calendar 6-12.
- Kennedy Middle School will increase student proficiency in math, science, social studies, reading, writing, and English Language Arts by 5% as measured by the 2011 MEAP.
- Lake Shore High School will increase student proficiency in math, science, social studies, reading, writing, and English Language Arts by 5% as measured by the 2011 MEAP.

Focus Area: Communication

- To improve communication by using the available technology tools in a consistent manner.
- To improve two-way communication between central office and the building level by developing shared procedures.
- To improve two-way communication between administration, secretarial, maintenance and support staff by developing an evaluation tool for LSFES, AFSCME, LSFSS units.

Content Area: Resources

- Continually update and edit Resources Guide to reflect changing resources in the community.
- Maintain and grow working relationships with community organizations to benefit the Lake Shore students and community.
- All of the Lake Shore facilities will continually exceed the needs of the 21st century learning environment and give the community a sense of pride and security with their schools.
- Educate stakeholders on district finance and identify how financial resources will match student achievement.
- Meet Financial Best Practices established by the State of Michigan.
- Implement new labor laws into employee contracts.
- Plan and prepare for use of I-Pads.
- Improve food service operations through on-line payments.
