NOTE Funds are granted for equipment, materials and supplies that support and enrich the curriculum for students of Lake Shore Public Schools. The Foundation does not fund field trips or large group activities such as assemblies.

Submit the completed application to the Lake Shore Foundation, c/o Lake Shore Administrative Office. If you have questions, contact Gloria Peruski at 586-285-8462.

Please attach a printed proposal that includes the following information:

- Describe **in detail** the proposed use for requested funds. Indicate the area of the curriculum that it would support, the number of students who would benefit, as far as possible, the exact materials you would purchase. If possible, include the catalog or vendor and descriptive literature along with a quote (including shipping) for the materials.
- Indicate the name of the administrator with whom you have discussed this proposal. State whether the amount requested would complete the project or if additional funds may be required at a later date.
- Include any supporting information to assist the Foundation members in making a decision. Grant requests may be delayed or denied due to lack of required information.
